

# Primary Parents Update:

With all pupils back at school now, there has been lots of debate about whether young people should wear masks to school. We wanted to ask young people themselves what they thought:

## Should pupils wear masks in school?

# Upcoming VoteTopic:

This week, we're taking a closer look at the way that we treat others who we disagree with. In KS1, pupils will look at forgiveness, whereas KS2 will delve into the way that we act in the online world..

## KS1: Is it hard to forgive? KS2: Is "cancel culture" unfair?

### Discussion points:

- The online applications you and your child use, and the people that they speak to on these.
- What you think the best and worst parts of social media are.
- Any stories you know of someone who has been "called out" on social media for something they've said or done.
- Whether you think "cancelling" someone is ever justified.
- The dangers of posting online and what you can do to keep yourself safe.
